EDUCATION

Universiteit van Amsterdam & Vrije Universiteit Amsterdam Sept 2023 - Jan 2026
Master of Science in Physics & Astronomy: Astronomy & Astrophysics

University of Chicago Oct 2019 - Jun 2023
Bachelor of Science in Astronomy & Astrophysics with Honors
Bachelor of Arts in Physics

SKILLS

Programming: Python, LaTeX, SQL, Slurm; **Packages:** lightkurve, ellc, wotan, batman, TESS-miner, astropy, etc.

Software & Tools: Excel, Word, PowerPoint; **Astronomical:** Aperture Photometry Tool, TOPCAT, DS9, Lenstool; **Graphic:** Canva, Epson, Silverfast, Premier

Languages: English (native), French (B2), Dutch (A2), Spanish, Catalan, Malayalam (A1)

SELECTED PUBLICATIONS

* denotes "submitted"

* **Glusman, R.** et al. (2025). *Searching for GEMS: The occurrence of giant planets orbiting M-dwarfs within 100 pc.* arXiv. <https://arxiv.org/abs/2509.08773>

Kanodia, S. et al. (incl. **Glusman, R.**) (2025). *Searching for GEMS: TOI-7149 b, an Inflated Giant Planet Causing a 12% Transit of a Fully Convective M-dwarf.* *AJ*, 170(4), 203. doi:10.3847/1538-3881/adf6db

Glusman, R. et al. (2022). *Digitization, Measurement, and Analysis of a 1905 Barnard Atlas Photographic Plate.* *PASP*, 134, 094503. doi:10.1088/1538-3873/ac87cf

Cerny et al. (incl. **Glusman, R.**) (2021). *Precise Photometric Measurements from a 1903 Photographic Plate Using a Commercial Scanner.* *PASP*, 133(1022), 044501. doi:10.1088/1538-3873/abec20

Glusman, R. et al. (2021). *This Month in Astronomical History: September 2021.* *AAS*.

SYMPOSIA AND CONFERENCES

Digitization, Measurement, and Analysis of a 1905 Barnard Atlas Photographic Plate, 2023 *Conferences for Undergraduate Women in Physics*. Argonne National Laboratory, Lemont, IL. January 20-22, 2023

Capturing the Stars: Early 20th Century Astronomical Photography and the Material Legacy of Yerkes Observatory, 2022 *History of Science Society Annual Meeting*. Chicago, IL. November 17-20, 2022

A Comparative Analysis of Glass Plate Digitization Methods Using Stellar Variability, *Midstates Consortium for Math and Science Undergraduate Research Symposium: Physical Sciences, Mathematics, and Computer Science*. St. Louis, MO. November 11-12, 2022

Photometric Measurement and Analysis of Photographic Sky Survey Glass Plate Negatives from 1905 and 1911 Using a Commercial Scanner, *The 2022 University of Chicago Undergraduate Research Symposium*. Chicago, IL. May 6, 2022

SELECTED RESEARCH EXPERIENCES

GEMS Collaboration Member

Feb. 2023 – Present

Anton Pannekoek Institute of Astronomy, University of Amsterdam

Led an international collaboration between UvA, Carnegie, Penn State, and Princeton to develop `TESS-miner`, a Python package for detecting and vetting giant exoplanets orbiting M dwarfs.

Exoplanet Detection Researcher

May 2022 – Jun. 2023

Department of Astronomy & Astrophysics, University of Chicago

Worked within Professor Jacob Bean's Exoplanets Group to create `caprice`, a test Python package for identifying transiting exoplanets in the light curves of young, active stars.

Glass Plates Digitization & Transcription Assistant

Jun. 2021 – Oct. 2022

Department of Astronomy & Astrophysics, University of Chicago

Led a PASP publication on a 1905 Barnard Atlas Plate while digitizing and calibrating historical glass plates to enable quantitative analysis of archival astronomical data.

Yerkes Glass Plates Research Group Member

Oct. 2019 – Jun. 2021

Department of Astronomy & Astrophysics, University of Chicago

Co-authored PASP and AAS publications on digitizing Yerkes Observatory photographic plates and researching the contributions of the women of Yerkes Observatory.

GRANTS AND AWARDS

Quad Summer Undergraduate Research Scholarship

Jun 2022

Illinois Space Grant Consortium Scholarship

Jun 2022

Viola K. Bower Memorial Scholarship

Jun 2019 - Jun 2023

OUTREACH WORK

Anton Pannekoek Institute Outreach TA

Oct. 2025 - Present

Hosted API dome tours and observation events such as lectures and lunar eclipse viewings for the public.

UChicago A&A Education and Public Outreach

Oct. 2022 - Jun. 2023

Traveled to Chicago Public School events and classrooms to give presentations on astronomy and STEM research.

Takeout25 Oak Park

Nov. 2020 - Aug. 2023

Helped organize and carry out events aimed at supporting local businesses in the Chicago suburbs during the pandemic. Link to NFP: <https://www.takeout25.org/>.
